COMPANY PROFILE

ABOUT US

GOING BEYOND BORDERS

Mridha Group started its business in 1998 with Unity Fabrics Industries Ltd.

WELCOME TO UNITY FABRIC INDUSTRIES.

Bangladesh is a land of rich textile tradition. To be in textile service for three decades, since our inception to accession is a story of dogged persistence. Operating in more competitive environment our journey was a relentless pursuit of quality in products and integrity in business.

As a manufacturing and exporting facility we encompass state-of-the art infrastructure and technology ensuring quality output together highly rated technology. We have highly trained spirited and reliable workforces raving to bring the best in production quality and service. Our competitive stature in knit industry has earned us a meaningful long term relationships with best brands across the globe enabling the production and exporting of all type of knit wears. In turn a source and support for sustainable development within community. Ours is totally vertical setup patronizing exceptional products and customer relation and vision set in motion we care to contribute positively to the economic growth of Bangladesh by starving hard to be both innovative and incredible.

MISSION

Our mission is maximization of productivity and quality of products to ensure competitive price with maintaining all social and environmental responsibilities to preserve healthy and pollution free world.

VISION

Become a globally recognized garments manufacturer by ensuring personalized service for each customer and creating for betterment for the country.

MESSAGE FROM THE MANAGING DIRECTOR

Despite energy crisis, economic recession, adjustments in the order quantity and raw materials prices, downward movement in product prices, our company has continued its sharp growth trend.

Our unique setup, state of the art machineries, depth knowledge about markets, highly skilled & experienced manpower and financial strength has helped us to outperform the competition and continue to grow.

As a continuous process of our extensive growth plan, we introduced a new production unit emphasizing on knits wear items.

From yarn sourcing to finished goods packing, we developed a strong monitoring system to maintain a standard desired level of quality. I believe everything like supply chain efficiency, planning, costing and on time delivery gets spoiled if the quality is not up to the mark.

That's why we have set quality standards for our factory following buyer's requirements and guidance for each departments and processes.

I would like to take the opportunity to show my appreciation and sincere gratitude to the employees, financial Institutions, suppliers and to our valued customer for their unforgettable co-operation.

In fact, all are the real strength to overcome the different challenges.

I am confident, with the help and support of you all we will continue to build on our capabilities for sustainable high performance in future.

Thanking You..

AWLAD HOSSAIN

Managing Director

Mridha Group | Unity Fabric Industries Ltd.
